## AGE 70 ½ REMINDER (PLEASE NOTE IF TRANSFERING FROM A TRADITIONAL, SEP, OR SIMPLE IRA)

I understand that if this transfer is occurring during or after the calendar year during which I attain the age of 70 ½, the required minimum amount determined under the IRA being transferred is still required to be distributed. I further understand that the current custodian is not responsible for making this distribution prior to the transfer. I accept full responsibility for satisfying the required minimum distribution applicable to the IRA being transferred by withdrawing sufficient amounts from my QTC or another IRA prior to the deadline for receiving minimum distributions for the calendar year of the transfer. If this transfer leaves my current custodian in one year, but does not reach QTC until the following year, I understand that this will be an "outstanding transfer" as of December 31st. I must "deem" that the transfer was received as of the prior December 31st for determining any required minimum distribution from the QTC for the year that the transfer was received. I will inform QTC of any such outstanding transfer.

## H. SIGNATURE

I hereby authorize this transfer and instruct my current custodian to transfer the assets in my account as indicated above.
